Train with NCAA Division 1 Goalkeeper Coaches!

Developmental GK Training, 9 years to 11 years old

Time: 5:30 – 6:45

9 years to 11 years old and beginner goalkeepers. During this training program goalkeepers will learn about handling, the set position, angles, how to reduce angles, diving, breakaways, and high balls.

Cost: \$65.00

Academy GK Training, 12 years old and above

Time: 6:50 – 8:20 or dark

Appropriate for 12 year old keepers and above as well as more technically developed keepers. This program will revisit the technical needs of goalkeepers to sharpen technical skills and introduce elements of decision making through game situations. More detailed instruction in terms of handling, positioning, footwork, collapse and grass cutter saves, deflecting vs. catching, high balls, breakaways, and communication.

Cost: \$85.00

All keepers will have fun and be challenged. Maximum 8 to 1 Student to Coach ratio.

Sessions conducted by Christian Benjamin and staff.
